## MOTHER, DAUGHTER, IN DOUBLE WEDDING.

Charleston, W. Va., July 15.—A double wedding, in which a mother and her daughter were the brides, occurred today in the office of the Kanawha county clerk. The mother, Mrs. Octavia Harrison, 34, and just twice the age of her daughter, Pearl Harrison, gave her consent for the marriage of the girl and then notified the clerk she wanted a license for her own marriage as well. Her husband is John Cole, while the other groom is Wiley M. Bollen.

## FIREMAN IS KILLED IN C. AND O. WRECK.

H. H. Wells, fireman, of Eskdale, W. Va., was killed and William Hollyson, engineer of Ashland, Ky., was severely injured in a derailment near Alum Lick on the Cabin creek branch of the Chesapeake & Ohio railway Tuesday morning. Wells' body was recovered underneath one of three coal cars derailed. Hollyson escaped death when the engine turned over, by jumping, but he was painfully bruised and was taken to the railroad hospital in Huntington. The cause of the derailment has not been learned.

## MARRIAGE OF A POPULAR LOUISA PASTOR

### NOVEL WEDDING WITNESSED BY MANY PEOPLE AT THE BAPTIST CHURCH.

Married, at the Baptist church in Louisa Wednesday evening, July 26th, Rev. W. A. C. Bostwick and Miss Ruth Cleveland Caines. That sounds very conventional, but it was not just an ordinary affair, by any means. It was different in several particulars, as follows: The engagement and date of the wedding were announced from the various pulpits on last Sunday. The marriage took place in the church immediately after the close of the union prayer meeting service. The wedding occurred (by invitation) in the Baptist church, although the bridegroom is a minister in the M. E. Church and the bride a member of the same church. The ceremony was performed by Rev. W. B. Foglesong, of the M. E. Church South, assisted by Rev. W. A. Gault, the Baptist pastor. The church was crowded, and at the close of the prayer service Rev. Bostwick and Miss Caines entered the church, and moved down the aisle preceded by Messrs. Fred Cain and Ted Phillips, the ushers. The wedding march was played by Mrs. G. R. Vinson as the party marched to their position in front of the platform, where the two ministers awaited them. The ceremony was impressively said, and the groom kissed the bride. The happy couple went immediately to their home, the parsonage of the M. E. Church, where they are receiving the congratulations of their friends. After the departure from the church, Rev. Gault announced a reception at the parsonage on Thursday evening of this week, to which everybody was invited. The bride is an attractive young lady twenty years of age. She is a daughter of Mr. Andrew Caines, now of Ironton, Ohio. She is an accomplished musician and was organist for her church in Ironton. Mr. Bostwick met her when she came here to visit her sister, Mrs. John Page. Rev. Bostwick is pastor of the local church and is far above the average in ability as a preacher. He is a native of Ohio, and is well educated and in every way equipped for his work.

## A BIRTHDAY PARTY.

It was a merry company of little folks that helped Jack Coleman celebrate his sixth birthday at the home of his mother, Mrs. O. C. Atkins last Wednesday from 2 to 5 o'clock. Children's games of various kinds were played and a jolly time was had. Delicious ice cream and cake was served to the guests who numbered about forty-five.

## THE OCCASION WAS A HAPPY ONE, NOT ONLY TO THE LITTLE ONES PRESENT, BUT TO TWO GUESTS OF HONOR, Mrs. Lydia Atkins and Mrs. P. H. Vaughan, whose birthdays are on July 26th also.

## TO THE VOTERS OF LAWRENCE COUNTY.

Thoroughly is a job that only an able-bodied man can do in a reasonable length of time. My opponents for the nomination for County Court Clerk in the August primary have a decided advantage of me in this respect, because they are all able-bodied men. I am crippled and therefore not able to go and see all the voters. This fact forces me to use this and other means of calling attention to my race and asking for your support. I hope you will not forget me when you go into the booth on August 4th. My name will be second on the Democratic ballot under the heading of County Clerk. I assure you that your help is needed and will be appreciated.

## OFFICERS' RESERVE CORPS.

Holmes B. Caseboldt, of Pikeville, has accepted an appointment in the Officers' Reserve Corps, as First Lieutenant in the Medical Corps.

## DEATH CALLS MRS. MARTHA A. MCCLURE.

### AGED WOMAN OF LOUISA PASSES AWAY AT AGE OF EIGHTY-ONE.

Mrs. Martha Garrett McClure died at her home in Louisa early Tuesday morning, after suffering for quite a long time with dropsy. Death came to her as peacefully as sleep overtakes the tired body. And with her passing there went out from this community one of the most devout Christians that has ever lived within its borders.

## APPROPRIATE MUSIC AND BEAUTIFUL floral offerings added to the impressiveness of the occasion. The church was crowded with those who desired to pay a last tribute and the funeral procession in automobiles was probably the longest ever seen in Louisa. The body was laid to rest in beautiful Pine Hill cemetery.

## MARATHA A. MCCLURE.

The deceased, Martha A. McClure, was born in Wayne-co., Virginia, January 19, 1837, died at Louisa, Kentucky, at six o'clock a. m., Tuesday, July 24, 1917, age 80 years, 6 months and 4 days. She was the last survivor of a family of fifteen children, daughter of Benjamin and Sarah Garrett. She was a sister of Rev. Oliver Garrett, of the M. E. Church South. The deceased was the mother of six children, two of whom died in infancy, four of whom survive her, viz: Hon. R. C. McClure and Mrs. T. J. Snyder, of Louisa, Dr. W. B. McClure, of Lexington, and Prof. G. M. McClure, of Danville, Ky. Her husband, Strother McClure died August 26, 1876, and she had, therefore, been a widow for more than forty years.

## She united with the church in her infancy and was baptized and converted in her young womanhood and kept sacred the date of her spiritual birth as she did her natural birth. She conformed literally to the words of the Master to Nicodemus, "Ye must be born again," and for more than fifty years in this community lived a consistent Christian life, a benediction to those who knew her most intimately.

## She loved her church as few church members of this generation do, and her last request made on earth was that she be taken to the church of her choice when dead, and from there to Pine Hill cemetery.

## Rev. Davenport said in part:

I was the pastor of sister McClure for three years and I found her faithful in all the Christian graces, always in her accustomed place in the church service ready to do her part to make them highly spiritual, frequently giving very happy and shouting aloud the praises of God. When I came on the district as superintendent and came to Louisa to my first quarterly conference I missed "Aunt Martha," as we were accustomed to call her. I called on her and found that she was still optimistic in her hope of heaven.

## C. C. a mother, Solomon said: "She looked well to the ways of her household and eateth not the bread of idleness. Her children arise up, and call her blessed."

## She was not only concerned about her earthly home, but also about that heavenly home, turning the face of her children to that eternal home throughout their childhood.

## WILL JOIN THE "SAMMIES."

Sergeant Frank Josselson, Lonie Lipsitz, Ray Preston, of Ashland, and Dick Mitchell, of Catlettsburg, were ordered to report at New York July 24 and will be among the 370 men to go soon to Europe.

## ENTERTAINED WITH SHOWER.

A pleasant affair of Tuesday evening of last week was the miscellaneous shower given at the home of Mrs. G. W. Atkinson on Madison-st., for Mrs. Dixie Huff Perrell, who recently married. Many nice presents were given to the bride and the evening was much enjoyed.

## MISS Shirley Hensley, of Potter, was a caller in the NEWS office last Friday.

## GERMANY NO LONGER MAKING ZEPPELINS.

### Building More Planes To Meet Extensive American Programme.

Geneva, July 21.—Reliable reports from Romashoff says that airplanes of the latest models, manufactured at the Zeppelin factory at Friedrichshafen daily are to be seen flying over Lake Constance.

## THE REPORTS ADD THAT THE CESSION of the manufacture of Zeppelins was due to the fact that German headquarters became convinced that Zeppelins were of little par value and that supremacy in the air in the future belonged to airplanes. The Germans also are said to fear an extensive American aerial programme and that therefore counter aerial preparations have been started by them. It is stated that the workmen in all the Zeppelin factories in Germany have been doubled in number and that the airplanes on hand have been removed to unused sheds.

## Mrs. Emmet Ferrell returned to Lynn, W. Va., Monday after a visit to her parents, Mr. and Mrs. W. B. Huff.

## ROY WILHOIT TO WED IN PROVIDENCE, R. I.

The following from the Providence (R. I.) Journal of July 19 will be read with interest in Kentucky, where the prospective bridegroom Mr. Roy Wilhoit is well known. He is a son of Attorney and Mrs. J. E. Wilhoit of Ashland.

## "Mr. and Mrs. Barton Pickering Jenks formerly of Concord, N. H., now of this city, have announced the engagement of their daughter, Miss Phoebe Miriam Pickering Jenks, to Mr. Hiram Leroy Wilhoit, formerly of Kentucky, now of New York. Miss Jenks is a graduate of the school of the Museum of Fine Arts in Boston, where her grandmother, Mrs. Phoebe Jenks, was a well known portrait painter, and also an excellent musician. Mr. Wilhoit, who comes from a family noted for its lawyers, is a son of Hon. James B. Wilhoit, of Ashland, Ky.

## "The engagement was announced to a few intimate friends at a dinner given to Mrs. Jenks a few days ago at the Baltimore in New York."

## SCHOOLS AND HEALTH BOARDS TO CO-OPERATE.

Frankfort, Ky., July 21.—Some methods by which the schools and county health authorities can co-operate in the work of inspecting schools for communicable diseases, is being considered by State Superintendent V. O. Gilbert.

## Many counties have district nurses, who examine the children and friction has been caused in two counties by the nurses ordering home children suffering from trachoma, a terrible and contagious eye disease. It is probable that arrangements will be made for the order to come through the county health officers on reports of the nurses.

## BE READY TO GIVE ALL TO AMERICA.

Baltimore, July 24.—Cardinal Gibbons on his eighty-third birthday, has sent the following message to the young Americans about to be enrolled in the new national armies:

"Be Americans always. Remember that you owe all to America, and be prepared if your country demands it, to give all in return."

"And," he added "I am sure they will bring honor and credit to the country of their birth or adoption."

## KAISER SPEAKS LIGHTLY OF THE UNITED STATES.

Berne, Switzerland, July 24.—(British Admiralty per Wireless Press).—The Post Zeitung of Augsburg, Bavaria, says that at the reception given recently in Berlin by Emperor William to members of the Reichstag the Emperor, in conversing with Philipp Scheidemann, the Socialist leader, spoke slightly of America and expressed the conviction that the United States would not play a decisive part in the war.

## ENTERTAIN FOR OHIO VISITORS.

At the Hammond home near Ft. Gay, W. Va., on Thursday evening of last week Mr. F. D. Hammond and sister, Mrs. Nob Boxley entertained a number of Louisa friends, in compliment to their nieces, the Misses Schmucker, of Canton, O., who were visiting there. An elegant six o'clock dinner was served, and the evening was delightfully spent. The guests from this city were Mr. and Mrs. O. C. Atkins, Jack Coleman, Misses Gladys Atkins, Nora Conley, Laura Belle Miller, Ernestine Skaggs and Jean Pritch. Mr. Jas. Cain and Mr. J. R. Roberts.

## Monday evening the same crowd enjoyed the hospitality of Mr. and Mrs. O. C. Atkins and daughter at their home on Perry-st. Excellent music and a refreshment course of ices and cake were among the pleasures of the evening.

## DEATH CAUSED BY FALL.

Blood poisoning developing from injuries received on his leg when he fell from a dray on which he was playing a few days before, caused the death of George, the four year old son of Mr. and Mrs. Fred Wilson, of Ft. Gay, W. Va., on Wednesday of last week.

## The funeral took place Thursday at ten o'clock from the M. E. Church and was conducted by the Rev. L. D. Bryan.

These stations will be at Chambers, Chauncey and Mann. Churches were recently completed at Tolyn and Serching and buildings are under way at Lerado and Mann.

Things in this district are in good condition and everything promises well for the coming year.

Mr. Moore will not be returned as elder, as he is now completing his fourth year and is therefore ineligible to reappointment under the laws of the church.—Huntington Herald.

## KENTUCKY CONFERENCE WILL BE IN MAYSVILLE.

## FORAGE POISON GERM.

Lexington, Ky., July 22.—The discovery of a germ that causes fatalities in considerable numbers from forage poisoning and the anti-serum which acts as a preventive has resulted from a series of experiments conducted at the experiment station of the University of Kentucky by Dr. Robert Graham, Dr. R. L. Pontius and A. L. Bruckner.

The tests have extended over a period of two and a half years and the final result means that millions of dollars' worth of live stock now being lost annually from forage poisoning will be saved.

Forage poisoning also is known as cerebrospinal meningitis, cerebroitis, staggers, etc., and is prevalent throughout the Middle West.

## WOUNDED SOLDIERS MAY BE BROUGHT TO AMERICA.

Suggestion That German Prisoners Be Sent Here Also Considered.

Washington, July 21.—Wounded soldiers of France and England may be brought to the United States for treatment and for convalescence. War Department officials have had the question under consideration for some time and it was learned to-day that adoption of the plan is probable.

It also has been suggested and some consideration has been given the question that the German prisoners be brought to America instead of holding them in camps in France or England. The care of the prisoners and the wounded here would materially lessen the burden of feeding them and make it unnecessary for the Governments of France and England to divert the considerable part of their provisions to the support of so large a nonfighting force. The intention is to bring the wounded and prisoners over to the transports which carry American troops to France.
